SHARING CHRIST IN AND THROUGH THE CHURCH

March 17, 2017

Dear Principals,

The Archdiocese of Detroit web team is working with the Office of Catholic Schools to “get the word out” that the deadline date for the Tuition Assistance Program is approaching. We are asking that you post the following message on your web page and if possible, use the attached image. As always, the Office of Catholic Schools appreciates your effort in helping us to reach out to the school community.

Have a great weekend and stay safe and warm.
